

### Filling valve with swivel joint

**Item number: BADGER LM**

Badger LM

#### Technical data

Connection:	G 1/2" female
Media:	lubricating oils
Calibrated flow capacity (l/min):	0 - 10
Uncalibrated flow capacity (l/min):	0 - 30
Viscosity (mPa s):	8 - 2000
Nominal pressure (bar):	70
Temperature range (°C):	-10 / +50
Material of the casing:	aluminium die casting

#### Specification

- Angled dispensing flex spout
- Anti-drip nozzle, automatic shut-off
- Rubber protection ring
- Swivel joint, G 1/2" female

#### Notes

- Other liquids, i.e. anti-freeze and windscreen cleaning liquid, on request
